Black Menu Icons Crack [32/64bit]

1. High Quality Icons The first and the most important thing is that these icons are of high quality. The Icons that are included in this set are crisp and clear which makes them easy to use. 2. Free For Personal & Commercial Use All the icons that are included in this set are 100% free for personal and commercial use. 3. Self contained Zip file Each Icon is a separate Zip file which ensures that the icons that are included are never used on a large scale. This helps you to have maximum control over your icons and make sure that the icons that you are using are of high quality. 4. Keyboard Shortcuts Included If you wish to get the best out of your icons, you can access a set of keyboard shortcuts to quickly toggle through the items included in this collection. 5. Help file The included help file contains the information that is required to get started using this collection of icons. Black Menu Icons Author: StyledIcons, Inc. is a creative agency specializing in creating and publishing applications and websites to the web design community. We strive to provide the community with high quality, well organized, and clean source code. Black Menu Icons Licensing: The author has kindly permitted the use of these icons under the Creative Commons Non-Commercial license. Icons can be used for personal, non-profit use. Commercial use requires the purchase of a license.
