When you reset the waste counter to zero, your ink cartridge will do the charging fully so you will have less ink

wastage. Jun 14, 2018 Epson's SX130 printer tends to get stuck whenever you're printing more than one page at once. The problem seems to occur when the printer is printing a 3500DPI image, and it's 5-10 minutes later. Try the following: -Press the power button on the printer, then press the Start button at the same time –Allow your printer to go through a print, or perform a.
